## Wedding Registry

Your wedding registry is a collection of any of the following items listed above. A personal web page is created for you with your options listed. Friends and family can choose items they wish to purchase for you and the sum will go toward your items. Participants can also purchase parts of items such as albums and books to offset the costs. Personalizing or leaving thoughtful wish on items is optional as well.

Contact us for further information and how you can set up your personal registry.
