# Meet Your Photographer

My name is Brittany - the photographer at Always More Photography! I'm a wedding and portrait photographer in Mississippi serving fun, detailed oriented couples with a legendary love for one another! I love serving couples who are so in love with each other that they care more about just getting married than the wedding itself - but they're still going to put in the time it takes to pull off a wedding with gorgeous details, a fun bridal party, and a great family atmosphere! I recently married my best friend (see photo to the left!) so I understand weddings from the photographers side AND from the bride's side, providing a unique outlook on how to capture the day!

## *My top 3 favorite things:*

1. My family of 4 which consists of my husband/assistant (Darrin), my 3 year old American Bull dog named Butter and my 7 year old Beagle named Delita!
2. Showtunes of almost any kind! So this means Disney, Hamilton, Wicked and many, ,many more!
3. I have an addiction to Dr. Pepper, Sweet Tea and White Mocha Lattes - so basically, sugary drinks!

# *Let's Get Started*

I believe that every wedding is unique and has an amazing story to be told! I love working with my couples every step of the way - from initial inquiry, booking your date, helping with wedding details, planning your engagement photos and serving you on the first day of your Happily Ever After - I'm there for it all!

I offer a variety of coverage options from 6 hours to 10+ hours. Most brides inquire and think they only need about 4 hours of coverage, but the more you get into the details, the more you realize that ALL weddings (yes, even small intimate weddings) will need at least 6 hours to ensure that you have the best photography experience possible, so I've got you covered! There's SO MUCH that goes into wedding photography that many brides don't think about which is why I offer a variety of coverage - AND all my collections come with a FREE engagement shoot and up to 180 miles of travel!

# Engagement Photos

All of my wedding collections come with a COMPLIMENTARY 1.5-hour engagement shoot! I truly believe that this is a VITAL part of your wedding experience because first and foremost, it gives us a chance to get to know each other and meet in person to start bonding!

Believe it or not, every couple has "a pose" that makes them look like models in their photos! So, by having the engagement photos we can test out several looks beforehand and so that during the fast-paced wedding day, your photos are one less thing you have to worry about going right - because you already know they're going to be great!!

Most couples have never had professional photos before, so it also gives you a chance to get in front of the camera and get comfortable with being the center of attention so that once the wedding day comes, it's just second nature to you!

# Frequently Asked Questions

- DO YOU TRAVEL FOR ENGAGEMENT PHOTOS?

I would love to travel for your engagement photos! 60 miles of travel from Vicksburg, MS is included in the collection options. Additional travel fees may apply for locations outside of the 60 mile radius, but I'm more than happy to work something out for you!

- WHEN WILL I GET MY ENGAGEMENT PHOTOS BACK?

You will receive a sneak peek of your engagement photos back within 3 days, a featured blog post within 10 days and your full gallery within 14 days.

- HOW MANY ENGAGEMENT PHOTOS DO YOU DELIVER?

I deliver roughly 60-75 photos in your final engagement gallery. This number depends on how many locations we take photos at and how many outfits you have.

- HOW MANY WEDDING PHOTOS DO YOU DELIVER?

I don't promise a specific number of wedding photos per gallery because every wedding is so different, which will effect how many photos are received. I go through all the photos and delete any duplicates, blinking/sneezing photos, blurry photos and my lighting test photos but after that, I deliver you as many photos as possible! I never limit the number of photos I deliver for a wedding so I promise you will get all the photos that are usable! You can estimate roughly 70-100 photos/hour!

# Frequently Asked Questions

- DO YOU DELIVER RAW OR UNEDITED PHOTOS?

I don't deliver any RAW photos because unless you have professional equipment, you can't even read these files on your computer. I won't deliver unedited photos either. You hire me based off of my edited work and giving unedited photos is like asking your baker to only deliver the ingredients of the cake. I deliver only high quality edited JPEG images and these are perfect for sharing on social media and printing!

- DO WE HAVE TO SIGN A CONTRACT?

All of my clients are required to sign a contract with me. This is to protect both of us for legal purposes. By signing the contract and paying the retainer fee, you are locking in my services and are stating that you allow me to photograph you and your fiance.

- WHAT IF SOMEONE ELSE IS PAYING FOR THE COLLECTION?

It's SO sweet when family and friends of the bride and groom help out with the wedding expenses. Whoever is paying for the collection, needs to donate the money to you, so that you can pay directly with your own bank account/credit card. This way, the same names that are on the contract, are on the payments as well. This is to protect you and make sure that YOU have complete control of your wedding photography experience.

# Frequently Asked Questions

- DO YOU OFFER PAYMENT PLANS?

Yes! I require a retainer fee of 30% and then we can set up a payment plan that works for you! The invoice must be paid in full 4 weeks before your wedding date. Most brides who want a payment plan choose 3, 4 or 6 payment installments to be paid in between the time you book with your retainer, to the 4 weeks before everything is due.

- HOW DO I BOOK YOUR SERVICES?

Once you decide to book with me, I will send you a contract and invoice. In order to reserve your date a 30% deposit must be paid at the time of booking. I use Stripe to accept all payments so you can make all payments online safe and easy!

- CAN I ADD EXTRA COVERAGE HOURS LATER?

I know that sometimes, plans don't go like we thought they would! So if you find you need more coverage than your collection includes the closer it gets to your wedding, you can easily add more hours at a later date! All additional hours must be paid for in full 1 week before the wedding.

- WHEN DO I HAVE TO CHOOSE MY ADD-ONS?

Add-on options are not required but they can be added at any point during your payment plan! I suggest adding as many as you think you'll want to the payment plan before the wedding, that way you don't have to worry about payments as newly weds!
