EMBODY
THE
UNEXPECTED

free form florals

BY A.S.

We are inspired by the artistic nature of flowers. Our designs aim to embody the unexpected pops of color and organic flowing shapes one would see in a garden.

"You took our few conversations and turned them into a masterpiece. The day of was a dream, every floral you placed had a purpose, and being able to watch you and your team create my vision was incredible."

- Julie & Paul

"I had so much peace working with her knowing that she truly shared my dream for our florals. Not only is she so talented and competent, but she genuinely loves what she does."

- Emma & John
