CONGRATS!

Thanks so much for getting in touch with me about your upcoming, special day-big hugs and congratulations again for sealing the deal! An abundance of starry-eyed happiness and clinking of glasses await, and I'd absolutely love to be a part of your celebrations.

As a wedding photographer, I adore capturing the raw, unabashed connection between two souls, embracing the essence of your romance.

Why I can't wait to document your day

From stolen glances to cheeky kisses and getting loose on the d-floor, I'll be there to document your love story (and all the fun bits). I'll even make sure to snap authentic moments that may've slipped by unnoticed - they're the best ones!

Whether you want me to inconspicuously lurk in the shadows, snapping candid shots, or be right up the front, rounding everyone up for group photos, I'll be the chameleon you need on the day. Either way, I'll be behind the lenses, not missing a beat.

Hand on heart, every ounce of my energy will go towards creating a gorgeous collection of images to forever memorialize your day. When you look through the photos memories will come to life and it'll be as though you're right there doing it all over again.

HI, I'M KAILAH

A creative soul with a love for romance.

I have always been creatively minded and had a deep love for a true connection between humans, the unabashed real type of connection. I believe, at the end of the day, these true moments, even the smallest ones, are what mean the most. Weddings are filled with these tiny moments and the fact that I get to capture them, stop time, and hand them to you to be remembered forever means more than you may ever know.

Chat soon, I can't wait to hear all about your ideas and plans for the day.

KIND WORDS

Kailah was absolutely amazing to work with! My husband and I are not comfortable in front of the camera and she somehow made us look natural and gorgeous! Kailah was also on top of helping us create a timeline for our wedding which is not the norm for a photographer. We highly recommend working with her for any photos you want care and attention for. Thank you Kailah!

SECOND *shooter*

The perfect solution to cover multiple locations or big weddings.

As much as I'd love to clone myself and be in two spots at once, it's a lot easier to get extra coverage if you choose to have a second shooter on the day.

This is a particularly good idea if:

- You have a large guest list and want to make sure we get shots of everyone that's there on the day
- You and your partner are getting ready at the same time, and the locations are far apart
- You're wanting photos of the ceremony and reception styling, prior to the arrival of your guests

Basically, the second shooter will act as my wingman/ wing woman, doubling the coverage of your wedding.

We'll team up to make sure that everything is captured, from start to finish, locations far apart. Lastly having a second shooter will ensure photos are taken of the ceremony and reception styling, undisturbed by guests.

+\$250/Hour of coverage

ENGAGEMENT *shoot*

How many professionally taken photos do you and your partner have, ones that you really love and can fill your home with?

An engagement shoot is a chance for us to capture some really beautiful, candid photos of you and your partner in a relaxed environment. Just the two of you, being you.

Plus, if you're a little camera-shy, it's the perfect opportunity for you to practice being comfortable in front of the camera, in the lead up to your wedding day.

Either way, I promise that we'll have a lot of fun while we're at it.

Where are you based?

I'm based in Salt Lake City, Utah, but I travel all over the globe to capture love.

Do you photograph internationally?

You bet I do! Nothing excites me more than the opportunity to shoot a destination wedding or elopement.

If you're thinking of taking your celebrations overseas, please get in touch so we can chat about the finer details.

Do you photograph same-sex weddings?

A million times YESS!!! LGBTQIA+, no matter how you identify and regardless of how you define your relationship, I'd love to be a part of your wedding day. Love is love and I'm 100% here for it!

Do you photograph elopements?

If you and your partner are thinking of skipping the fuss and running off to do a private ceremony with just the two of you or a handful of your nearest and dearest, I'd be absolutely honored to document your intimate ceremony.

Our elopement packages start at 5 hours of coverage, so get in touch if you'd like to learn more.

How many photos will I receive?

You'll receive anywhere from 200-800 photos, depending on how many hours we shoot and how jam-packed your wedding day is! I try to not put a number on the amount of photos just because it can vary so widely.

FAQ

How will I receive my photos?

Firstly, I'll send you a handful of sneak peek shots a couple of days after your wedding. 4 to 6 weeks later, you'll receive a link to your online gallery and slide slow to watch and relive your wedding day. Around the same time, you'll also receive a beautiful package in the mail with a USB, prints and a little thank you from me.

How long will it take to receive our photos?

It will take roughly 4 to 6 weeks to receive your final wedding photos. I put a lot of love and care into perfecting each image, which is why it'll take me a little bit more time to deliver your final images. If you'd like your photos sooner, please ask me about the rush fee.

We don't want our photos on social media

This is your wedding and if you are uncomfortable with your photos being shared on my social media platforms, I will respect that. Just be sure to let me know.

What happens if disaster strikes?

This has never happened and will NEVER happen. However, if it did, I have contacts all over the world that will be able to step in. These are other talented photographers who will take good care of you.

Do you have a payment plan?

Yes, we can organize to split your payments into four installments. Just let me know if this would suit you.

Can I print my photos?

Of course, I'd love for you to print your favorite photos! You can easily order photos prints through your online gallery, or have them printed at your favorite place.

What if I have to cancel or move my booking?

Life is complicated and the unexpected is to be expected. The deposit is non-refundable as this helps to protect my business due to turning away all other bookings for your wedding date. I hope you understand that deposit is insurance for my business to stay afloat in the event of a cancellation.

Do you have any vendors you recommend?

Yes, from years of experience in the wedding industry, I have come to work with some of the top wedding vendors. I have listed some of the stand-out vendors in my wedding guide which you will receive. If you would like specific recommendations, just reach out and I'm sure I will have some suggestions I can send you.

LET'S ORGANIZE A CATCH UP

Send me an email and we will organize a catch-up. We can do this in person or over Zoom.

During our catch up you can ask as many questions as you'd like and get a feel for what it'll be like working together. A bit like a blind date, think of this as your chance to see how well we vibe!

YOUR HAPPINESS IS MY HAPPINESS
