Azulita Imaging offers affordable options for all budgets. If what we offer doesn't meet all of your needs, we will be happy to customize something for you.

All weddings are photographed by our main photographer and assistants are used as needed. There is no limit as to the amount of photos taken during your wedding. We create color and b/w and special effects to your photos at no extra charge.

All photos are edited with the utmost skill and creativity and personally selected by the photographer to create a memorable album. All albums are digitally mastered, flush mounted and bound with different styles to suit your personality.
