

## Buona Terra

Is a locally owned, European inspired gelateria, crêperie and bakery located in Mt. Lookout Square. Buona Terra (Italian for Good Earth) represents everything that our team is passionate about - from locally sourced organic dairy, to the locally sourced beech wood used throughout the design of our shop.

We firmly believe that using local products and supporting local businesses is the key to providing the highest quality desserts for our community.

We handcraft everything from scratch in our store daily. As one of Ohio's only gelaterias who handcrafts gelato using the traditional Italian techniques and processes, we proudly guarantee that our gelato is one of the best you'll ever have
