

MOLLY LANDRETH WEDDINGS

Hello!

I am a Seattle-based artist as well as a lifestyle + wedding photographer and I love when these seemingly different aspects of my life can overlap and inspire each other. I have been photographing weddings since 2010 and enjoy creating spontaneous, candid images filled with all the joy and emotion of the day. I am inspired by vibrant color, thoughtful design and the natural landscape of the Pacific Northwest, especially the Skagit Valley and San Juan Islands where I grew up and photograph often. I love to shoot film alongside digital. I love to travel. I'd love to meet you.

I earned a B.A. in Studio Art from Scripps College in Southern California and an MFA in Photography and Related Media from the School of Visual Arts in New York, NY. My fine art and lifestyle images have been featured in publications including The New York Times, Time Magazine, Newsweek, The Advocate, OUT, Marie Claire and The New Yorker.

Love notes...

Molly Landreth is the only person I would trust to capture each moment of this extraordinary life event. She is skilled at blending into the scene and making everyone feel instantly comfortable. It matters who you have at your side in the minutes before you walk down the aisle. Molly's smile and genuine concern left me feeling calm and lighthearted.

—Shira & Claudio.

The day flies by in the blink of an eye, but with Molly's images, we are able to remember what an incredible day we had.

I have nothing but great things to say about Molly and her professional yet warm and personable approach. She is an amazing photographer!

—Robyn & Nick

Molly is an incredibly talented photographer. She captured both our wedding and welcome dinner beautifully. She has a keen sense of light, and every picture seems fresh and full of energy. As we look through our photos, the story of our wedding unfolds in big moments and small, through family, friends, food, and poignant images of our venue and décor. Additionally, Molly was just a pleasure to have as part of our wedding. She brings her own special joy to taking photos, and many of our guests commented on how much fun she was – all of this comes through in what she brings out of people in her photography!

*Molly captured our day flawlessly. We cried and laughed so hard when we got the pictures back a few weeks later. It brought the entire day of memories right to our living room. We want to hire Molly for EVERY life event we'll ever have! She and her work are truly amazing. Our photos from Molly feel like artwork hanging on our walls instead of portraits. Thank you Molly Landreth!

TRAVEL

YES! We love it! Let's go!

ROAD TRIP

60 miles out of Seattle in any direction = no charge. Beyond that, \$50/hour each way.

Ferry boat fees will be added to your final bill.

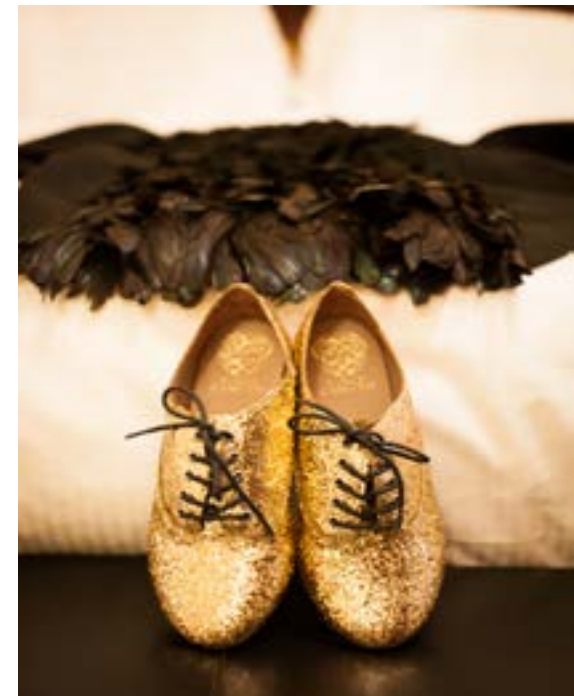

LAST CALL

If your wedding is in a location that necessitates an overnight trip one or both ways, (aka an island with ferry service that shuts down before your dance party does) our hotel cost will be added onto your final bill. Don't worry, we will never surprise you. All travel details will be reviewed before booking.

DESTINATION WEDDINGS

We require flights and lodging for the night before, the night of and the night after your wedding, and transportation to the wedding site. We also ask for a \$500 travel fee for our time and personal expenses while on the road. This cost will be added onto your first bill. We will send you a quote before any arrangements are made.

Thank you!
