# FREQUENTLY *Asked Questions*

## **WILL WE RECEIVE PRINTING RIGHTS?**

Of course! Your images will be delivered via an online gallery completely print ready as soon as you download them.

## **WHAT IS YOUR APPROACH?**

I like to take a candid and documentary style approach during most of the wedding day, but I take charge during portraits. For bridal party and couple portraits, I like to use prompts to create a more natural and authentic experience which prevents that awkward feeling of someone having a camera in your face. I find that this combination gives you the best all-around gallery. You'll receive timeless photos that you will cherish for a lifetime.

## **WHAT IS YOUR TURNAROUND TIME?**

I always try to send sneak peek photos within 24-48 hours of the wedding. The full gallery will be delivered within 6-8 weeks.

## **DO YOU BACKUP YOUR IMAGES?**

Absolutely! I have a camera with two SD card slots meaning your images are writing on two cards throughout the day. After the wedding, I backup your images on an external hard drive. The photos also remain on the SD card in a fire safe until photo delivery.

## **HOW DO WE BOOK YOU?**

After our wedding consultation, I'll send you a proposal with a contract. If you want to book with me, you'll need to sign the contract and pay the 30% retainer fee. Once you have done that, I'll do a happy dance and then send you a welcome guide!
