

I offer three packages to meet your needs and budget. My most popular package is the Dreams Do Come True is designed for a ceremony with over 20 guests. For this larger ceremony, I will provide a small sound system so that all of your guests will be able to hear the wedding ceremony; there is no extra fee for this. (Note: This system is not designed for music for your entrance or during the ceremony; I recommend hiring a DJ for ceremony music.) The fee for the Dreams Do Come True package is \$300; a rehearsal may be added for an additional \$100 (depending on my availability.)

If you are planning a smaller wedding, the Intimate Gathering package is available for a fee of \$200. For a more intimate gathering, a sound system is not necessary for all of your guests to be able to hear and feel a part of the ceremony.

The elopement package is a basic ceremony with two witnesses. The fee for this is \$100, and includes the keepsake booklet and certificate, as well as the access to any photos that I may take.
