Social Events &
Coordination

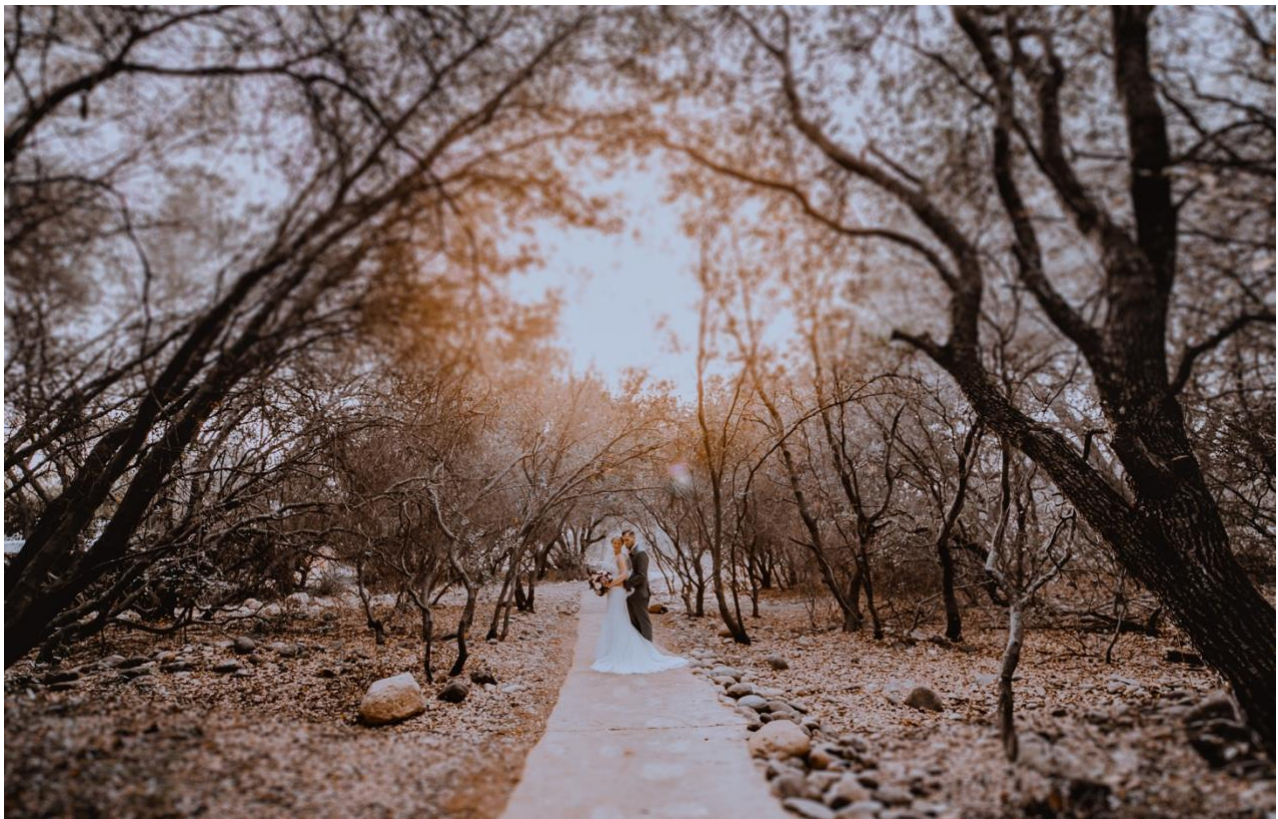

HELLO & CONGRATULATIONS!

Thank you for your interest in Beyond Smitten Events! Throughout the planning process, I pride myself on being a great listener while understanding the vision you are trying to achieve. I am dedicated to my clients and to making the planning process and your wedding day smooth, stress-free, and most of all FUN! I cannot wait to assist you in making your wedding day incredibly memorable and incredibly you!

MONTH OF COORDINATION

This service is for couples who have done most or all of the planning themselves and need a professional to execute their vision and make sure the wedding runs seamlessly. Some of the services for this option include vendor referrals, vendor coordination, timeline creation, budget management, assistance with design and layout, rehearsal coordination and of course being the primary point of contact for your wedding day. Unlike the typical day-of coordination that begins six to eight weeks before your wedding day, we offer something a little different. Our service, support and guidance begins as early as three to four months before the wedding day (dependent on when you book us of course, so you are encouraged to book early!) to fully ensure an enjoyable engagement!

PARTIAL PLANNING SERVICE

Perfect for the couple who may have already picked out the ceremony and reception sites, started a guest list, chosen invitations etc., but need guidance choosing other vendors, managing budget, and still want to have a hands-on role in planning their wedding. This option includes wedding day coordination services in addition to check-ins and additional meetings (to be determined by couple) to make sure nothing is missed and all is on track.

FULL SERVICE PLANNING

Let's make your dream wedding a reality. Perfect for couples who want guidance, I will be there from the very beginning so you can enjoy a worry-free engagement. From budget development to design and finding the perfect venue and beyond. To ensure a smooth (and fun!) planning process, full service planning is reserved for a handful of couples a year.

SOCIAL EVENTS & COORDINATION

We love planning social events! From engagement parties to bridal showers, rehearsal dinners, post wedding brunch and even planning activities for your out of town guests! Whether you need guidance planning an intimate affair or a large social gala, we'd love to help make it special!
