

# Why Diamond DJs?.....

**Experienced** – Over 20 years of experience and 1000's of receptions & weddings performed.

- **Great music selection and sound quality** – A wide range of music to choose from to personalize your wedding and a great sound system to deliver it.
- **Preplanning Advice** – Before making your DJ decision we meet with you in person to discuss your needs and expectations for your special day. Our years of experience performing weddings and receptions can assist you with making music, reception and ceremony decisions based on traditions, current trends, and individual tastes.
- **Master of Ceremonies and Event Announcements** – On the day of your event we coordinate the flow of your event to keep it running smoothly, on schedule, and stress free.
- **Dance floor lighting and venue uplighting** – Up-lighting is available to enhance the visual atmosphere of your ceremony or reception.
- **Insured** – We have \$1,000,000 in liability insurance which allows us to DJ in any venue.
