

Welcome to The Peak!

The Peak is a modern venue with an industrial feel. Featuring a wrap-around rooftop patio, you will have a unique view of downtown Columbus and of the planes landing overhead at John Glenn International Airport. Located just 15 minutes from downtown and minutes from the airport, having your big day here cuts down on travel time for your guests.

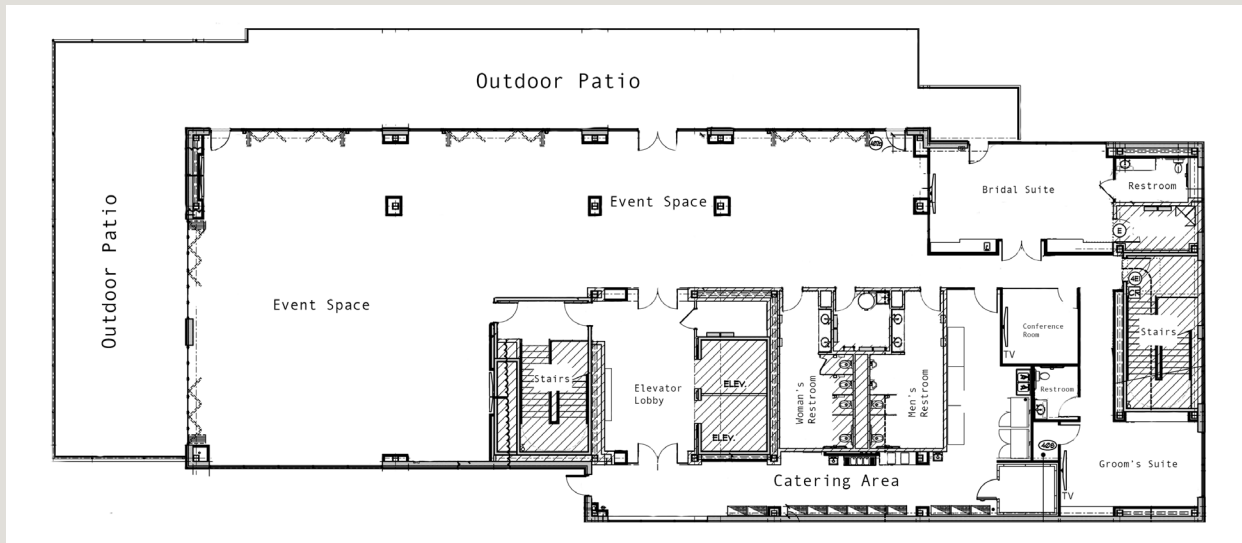

The layout features a main event area complete with a Bridal and Groom's suite. Our space is filled with small touches to bring it all together, but it is also entirely customizable to match your vision. We want your day to be as beautiful as you imagined it to be, and with us, it will be.

The Venue

Our space can comfortably hold up to 200 guests. We have an open floor concept to ensure that all guests can have a view of the festivities. The event space is surrounded by floor to ceiling windows that open and walk out onto our massive wrap around patio. This space is perfect for hosting cocktail hour and much more.
