- Client will receive 30-40 final watermarked images to choose from.
- Final images are chosen at photographer's artistic discretion and are thoughtfully edited & retouched.
- High Resolution images files available for purchase for printing, personal, promotional and web use. These images files will be provided to client via Dropbox..
- Proofs will be provided within two weeks of session date.

Image Files

Image files may be purchased individually at \$25/image or \$350 for all final images.

Images are yours to print, share, and archive as you choose.

At this time prints and albums are not offered, but recommendations are provided for high quality printers for your convenience.
