Eugene Kim Photography

Thank you for your inquiry and I am glad to be introducing myself here. This is a quick guide to help you find what you are looking for as quickly as possible.

If you have any questions, please reach out with your contact method of your choice at the last page

About Eugene Kim Photography

Let's get to know each other a bit, I'll go first

Hi my name is Eugene Kim and I am a Las Vegas based photographer who specializes in couple's photos.

I photograph lots of weddings, elopements, engagements and honeymoons. When I am not photographing couples, I am usually photographing babies and expecting mothers.

PRICING

If...

you are here to see the pricing please press the button on the top right hand corner of this page

BUT

I believe in human connection so if you feel the same way and want to know more about

- what Eugene Kim Photography stand for

Please read through

Our Mission

Through documenting the love stories,
we hope to remind people the beauty of the world

We achieve this through

- listening to couple's story, the good, the bad and the unusual
- building relationship with couples and close people
- constantly studying and learning
- giving back to protect the nature
