# PHILOSOPHY

I APPROACH EACH WEDDING WITH A DEEP APPRECIATION FOR THE UNIQUE BEAUTY AND EMOTIONS THAT EVERY COUPLE'S SPECIAL DAY OFFERS.

## UNVEILING THE ART OF LOVE

CAPTURING THE ESSENCE OF YOUR SPECIAL DAY IS NOT JUST ABOUT DOCUMENTING THE EVENTS. IT'S ABOUT CREATING A VISUAL NARRATIVE THAT SHOWCASES THE BEAUTY AND ELEGANCE OF EVERY MOMENT.

I believe that every photo should be a work of art - carefully composed to tell a complete and compelling story.

Most importantly, I strive to make you feel heard, seen, and valued throughout the entire process. From the initial consultation to the final delivery of your stunning and carefully curated wedding photos.

I seek out the core memory moments and spontaneous elements that make each wedding unique. You put so much time into making this day represent you, it's my job to capture it.

"SHE TRULY HAS AN EYE FOR CAPTURING THE ESSENCE OF EVERY MOMENT AND EVERY DETAIL, AND HER IMAGES ARE SIMPLY BREATHTAKING. THE END RESULT WAS A COLLECTION OF IMAGES THAT I WILL TREASURE FOR A LIFETIME – EACH ONE TELLING ITS OWN UNIQUE STORY AND CAPTURING THE LOVE AND JOY OF THE DAY IN THE MOST STUNNING WAY POSSIBLE. I CANNOT RECOMMEND CARLI ENOUGH!"

## Beka Wiggins

Northern California

“Carlz has always had a gift at not just capturing images, but capturing the essence of the moment. I look back at our wedding photos often and am so thankful I went with her because it can truly take me back to one of the best days of my life, and I can remember how I felt in that moment that she captured.

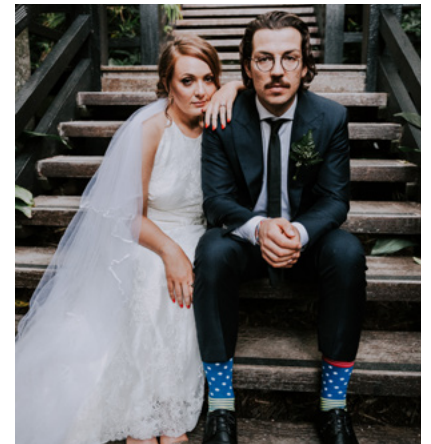

She made our wedding line so comfortable and was able to bring out the best in them, and I know that’s not easy with how rowdy this bunch was. She also was able to get me content to post even before the night ended, all that being said I would choose Carli Jeen 1000 times over!”

## Grayson Otiz

Miami, Florida

“The candid shots of us and our guests are so full of life and energy, and the posed portraits are simply stunning. We could not be happier with the end result. Forever grateful.”

## Jaimi Hyde
