Custom Wedding Invitations

Your invitations are the **FIRST** thing your guests receive about your wedding, telling them all the important information they need to know. They set the tone and expectation for your day, so you want something that will stand out and get your guests super excited for your special day. Creating the perfect hint to your wedding is our specialty, and we love working with couples who appreciate the details!

We offer custom wedding invitation packages that take your invitation to the next level, with personal touches like wax seals and ribbon. Take a look at our packages below and view our recent work on our [website](#) to inquire for your wedding stationery!

Semi-Custom Invitations

With 12 different designs, the Semi-Custom Collection features pre-designed invitations that are created for those couples who crave a boutique look that won't break the bank. Organic motifs, vintage borders, and watercolor florals decorate the suites, with all of them customizable to your wedding colors. All invitation suites are printed on 100% Savoy Cotton Paper 110# stock, with upgrades to handmade cotton rag paper and double thick stock available. Each design includes an invitation, response card, details card, and reception card available for purchase. Finishing options include foil stamping and letterpress printing. Pricing with digital printing is below at various quantities*. To view all our designs, head to our [website](#) to browse and order!

SPOT CALLIGRAPHY

If you love the look of calligraphy but don't like the hefty price tag, spot calligraphy is a great option to add into your stationery. Specific words are written out in calligraphy script and then digitized for your invitation suite. Examples include the bride and groom names, card headers (details, RSVP), and return address.

Spot Calligraphy starts at \$100

INK COLORS

Our standard ink color is black. Other colors available are:

White | Gold | Silver | Rose Gold | Walnut

We can also mix custom colors as well, get in touch and we'll be happy to work with you!

WEDDING DAY CALLIGRAPHY SERVICES

Place cards, escort cards, seating charts, menus, and signature drink signs can all look beautiful with custom calligraphy. Signage makes a great addition to welcome your guests to your wedding ceremony and reception, guiding them in the right direction to enjoy the festivities!

STANDARD PLACE CARDS

Traditional with the customization of color, standard place cards and escort cards (that lead your guests to their tables) are always a good idea.

THANK YOU

Thanks so much for reviewing our pricing guide! If you're ready to talk all things wedding invitations, fill out our wedding invitation questionnaire and we'll respond within 1-2 business days with a custom quote and schedule a consultation to go over any questions! Custom wedding stationery inquiries close 4 MONTHS before wedding dates to ensure there is enough time for creation and execution of your custom design. For weddings within the 4 month range of the event, the semi-custom collection is available. We hope to hear from you soon!

HOW TO BOOK YOUR WEDDING

Fill out our [wedding invitation questionnaire](#) to start the process. You will receive a custom quote based on the answers provided within 1-2 business days.

Once the custom quote is approved, an invoice and contract will be sent. To secure your date, a 50%NON-REFUNDABLE RETAINER and SIGNED CONTRACT must be submitted.

Once both payment and signed contract are received, your date is reserved in my design calendar!

THE PROCESS

Designing begins 5-6 months before your wedding date, with initial designs sent for review. Revisions are worked and final details are set.

Once proofs are given final approval and signed off on, they are sent to print! Production takes 4-6 weeks depending on your package.

Invitations are delivered to you between 9-10 weeks before your wedding, depending on assembly. Wedding invitations should be sent out 6-8 weeks before your event, 10-12 weeks for destination weddings.

HAPPY WEDDING PLANNING!
