

## **Package**

Sky Ridge Farm is a venue that aims to provide a stress free wedding day for our clients by offering one all-inclusive weekend package that includes three days of rental. Ideally, one for set up/rehearsal dinner, one for the wedding day, and the following day for cleanup. Sky Ridge rents the property to the client and the client hires their own vendors to decorate, cater, officiate, coordinate, and clean up. (At this time we do not offer one day packages.)

## **Pricing**

The cost for this package is \$7000. We also require a \$500 cleaning/damage deposit that is due at the time of final payment. This will be returned to the client pending clean up according to the contract and no damage sustained to the property. A deposit of 50% of the rental fee is due to hold your date. The other 50% is due the month before your wedding.

## **Amenities**

This package includes the use of the ceremony site, barn/reception area, bridal suite, groom's room, and caterers kitchen, along with use of 200 French cross back chairs, 200 white folding deck chairs, 14 ten-foot long farm tables (each seats 10-14 people), and a few other furniture items for decoration that can be found on the "Amenities" tab of our website.

## **Additional Information**

The barn can host up to 200 people. The bridal suite and groom's room are equipped with heating and air. The reception room and balcony of the barn are not climate controlled.

Clients are free to hire the vendors of their choosing, so that they can design their wedding just as they envision it. We simply ask that the vendor provide us with a copy of their liability insurance. Clients are also responsible to secure their own event insurance, as well get an ABC license if they plan on serving alcohol. We walk clients through this process if they book with us.
