The Camp Schodack Experience

The perfect venue for your event

Why get a hotel or a conference center for three hours when you could book your own private resort for the weekend? Bring the family, friends, colleagues and whoever else wants to enjoy an unforgettable experience!

We are set on 100 acres of privately owned lawns and woodlands located just 2.5 hours from both Boston and New York City. We have overnight accommodation for up to 500 people and a number of picturesque locations around the grounds that people have chosen as the ideal place to share their vows.

Our offer gives you the chance to cater for yourselves, bring in outside vendors or do both.
