

Brewer Farms

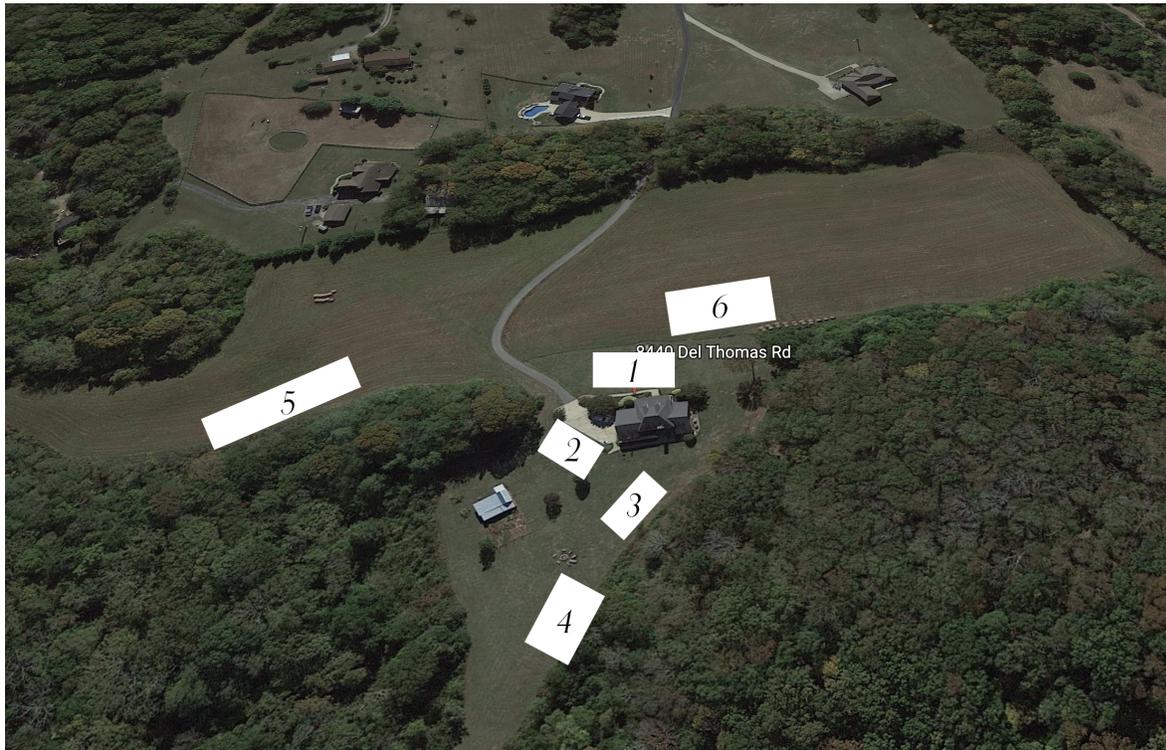

Nashville, TN

Location

Located at 8440 Del Thomas Road, Smyrna, TN 37167. It's on the line of Rutherford & Williamson Counties which happens to be the second-highest point in Rutherford County. We consider ourselves in Nolensville, which is just a few miles from Arrington Vineyards.

The Grounds

Brewer Farms is located on 34 acres secluded by treelines yet on top of a hill that overlooks other hills. Its golden hour is breathtaking as it highlights the beautiful hayfields and sunsets to make some of the most enchanting evenings you could hope for.
