

WEDDING STORIES

PHOTOGRAPHY | CINEMATOGRAPHY

Wedding Stories is a boutique of 2 photographers and 2 videographers that specializes in documentary wedding photography and unique times in video. We prepared to create a beautiful images which in the future will give you many happy returns to This Day.

During each wedding we look for stories and genuine emotions. We not only capture your joy, happiness and laughter, but also your deepest feeling and tears. We will consult and work closely with you from an early stage to assure that your special day will be captured as you desire.

Wedding Stories dedicated to capture photos that celebrate your life, make your parents proud.

If you think Wedding Stories suits your style, please leave us a message giving us a glimpse of your story.

We are looking forward to capturing your dreams and memories!

Thank you and wish you all the best!
