Mel's Event Planning & Design

Pricing table

All prices will vary depending on what is asked.

Package 1: $500 and up

Basic package is for the clients that want to do it all themselves with a little guidance which includes but not limited to.

Helping with budget, finding vendors, day of event, monthly check ins.

Package 2: $750 and up

This is for those that know what they want just don't have the time to make calls and get everything ready for their day.

This includes but not limited to.

Calling vendors, Setting up appointments, mailing out invitations. Along with everything in package 1.

Package 3: $1000 and up

This package is for those that want to work side by side. This is a full-service package. This would include but not limit to making appointments, calling all vendors set up all décor, pick up anything the clients need for the event. Plus, the services in the other packages.

All package pricing can change.
