Of course you are looking at budgets, always budgets, so I want to make it simple for you to understand my pricing guidelines.

#### **Make it yours package:**

For my exclusive *Wedding Choices* package, which includes the Wedding Choices on-line creation of your vows you pay only **\$450.00**. #### **It's All Love package:**

You get all the benefits of the "Make it yours package" plus free rehearsal, unlimited telephone, text and email consultations about the creation of your personal ceremony, as well as a keepsake copy of your one-of-a-kind wedding ceremony. And at no additional charge I will include the beautiful "Rose Ceremony" to add to the joy of your day. All this for only **\$625.00**

#### **Deployment Ceremonies:**

As a veteran myself, I know that being deployed can be a tremendous strain on both your budget and time. To honor Active Duty Military who are being deployed, I am proud to offer my basic ceremony in Fallbrook for half-price; **\$150.00**. No stress, just love.

### **Elopement Ceremonies:**

You get the Marriage License and I provide the setting in beautiful Fallbrook, California. There are two choices for settings; in a flower lined gazebo (ideal for four people plus me) or in a spacious tree-lined back yard with room for up to twenty people. **\$250.00**. If you want a bouquet or flowers, even a limousine from your hotel we will arrange a package for you.

### **Adventure Weddings:**

Want to get married in a hot air balloon, while sky diving or on a sailboat off the California coast? The possibilities are limitless. Pricing begins at **\$400.00** for the ceremony. Cost of the adventure is not included.

### **Recommitment Ceremonies**

What a beautiful way to celebrate your love. You have spent years together, “doing life” and now it is time to honor the basis of your relationship; your marriage. Your love has carried you through all manner of life’s challenges and now it is time to refresh that commitment. There is nothing like re-declaring your love for each other. Very reasonable packages available.

### **Special Circumstances:**

As an Ordained Minister I am permitted to conduct services in Hospitals, Jails, and other locations which require licensing credentials.

With all wedding packages, will be responsible for getting your Marriage License at the County Records office (if needed). At the conclusion of the ceremony your witnesses and I will complete the form to return for recording.

Hopefully this answers your initial fee questions. If not, lets talk some more!

I look forward to speaking with you very soon about working with you to create the perfect ceremony.

It's All Love,

Reverend Doctor Brian Graham
