

Weddings at MAGC

MAGC is a non-profit cultural center that sits on 11 acres of beautiful, expertly-maintained gardens. We offer two well-appointed indoor venues, the **Garden Room** and the **Livermore Pavilion**.

The **Garden Room** opens out to an expansive garden patio surrounded by flowers and flourishing shrubs, which features redwood trees, a water fountain, outdoor built-in bar, as well as an enclosed rear garden patio. The elegant interior is brightened by skylights and has a gas fireplace and separate Bride's Room. The space is sophisticated yet maintains a relaxed atmosphere with French doors leading to the lush garden setting. The indoor area is air-conditioned and heated, and includes a fully equipped commercial kitchen. The Garden Room can accommodate up to 60 guests and up to 110 with the outdoor courtyard.

Ideal for weddings and special occasions, the **Livermore Pavilion** is spacious and airy with a wall of sliding glass doors that open out onto the Livermore Deck and Stratford Gardens. Two gas-fired rustic stone fireplaces heighten the ambiance. Just off the deck are the Stratford Gardens which include an ample green lawn, flowering gardens and outdoor dining area. The Livermore Pavilion has central heating and air conditioning; it can accommodate up to 175 guests indoors and with the outdoor lawn and gardens may accommodate up to 300.

We also offer additional sites on our property for ceremonies, such as the Gazebo and Fountain Pond. You may also choose to book the full space to ensure there is no other event and you are able to use all areas.
