

## *Let's Connect*

*We provide a customized and elevated wedding experience.*

*As your wedding photographer and videographer, I'll be there with you the whole day, documenting every moment and detail.*

*I'd love to learn more about you to see if we'd be a good fit. Please reach out to us via email or our website to provide the unique details of your wedding day. We will be happy to provide pricing based on your specific needs of your day.*

*We provide packages for photography, videography, or both starting at \$1995.*

*Elopement photo and video services are also available.*
