making honest imagery

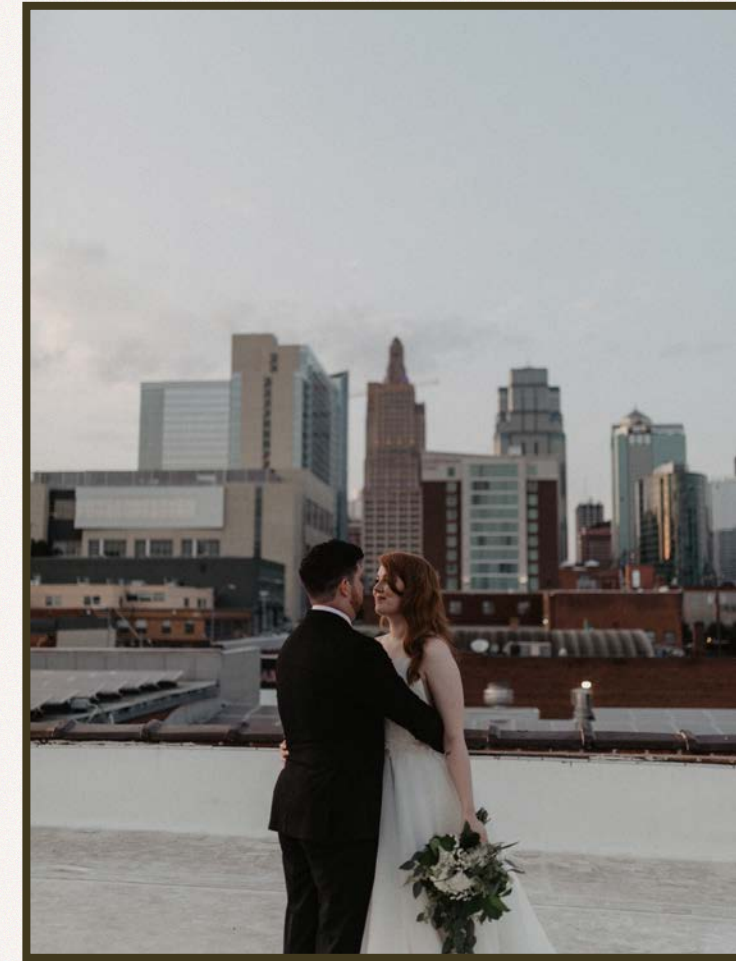

HEY THERE!

THANK YOU FOR INQUIRING!

I AM SO EXCITED TO WORK WITH YOU.

I believe in making honest imagery. I love work with couples who want their special days documented artfully. My mission is to help plan a day where you feel present and at peace. I'm not the right photographer for everyone and that's okay, but with the time I have with you, I want to make sure you feel confident in your choices! My heart is that you would leave time with me feeling loved, supported, and like you gained a friend. I am here to help!

MEET DELANEY,

I'm Delaney Hady, a Kansas City-based photographer who's in love with black and white film and creating meaningful photographs.

I specialize in intimate wedding photography, capturing weddings and couples sessions. When I'm waiting on my film to arrive, I'm probably thrift shopping, cooking, or finding new ways to make a mess. I'm a lover of books, therapy, whiskey sours, and lots of flowers. I can't wait to meet you and hear your story!

WEDDINGS

THE INVESTMENT

Photographs last forever. When you get older, you will always have images to help you make meaning. When you invest in documenting moments like these you and your partner have images that last forever. Spending time watching my husband and I's wedding video and looking at the photos helps us remember the commitment we made to love each other for forever. When we go through hard times we have our vows to look back on and promise forever all over again.

You are making a big investment, if you have a specific budget you are working with, be sure to communicate that as well as your needs for your wedding day. Customized packages are available when you ask!

COUPLES SESSIONS

let's make some magic.

COUPLES SESSIONS

This is my bread and butter.

You can expect lots of love, laughter, joy, and to have a good ole time. I will bring the music and maybe some snacks if you're into that. Couples sessions are all about getting to know each other. I will prompt the couple to spend time together doing what they do best-- being in love. Whether it is film or digital, I want to make artful images with you. For me, photography is all about the connection between the people in front of the camera. I want to make you feel comfortable in your own skin and this makes for meaningful images.

Sometimes life can get really busy and hectic. If you are welcoming change into your life, like planning a wedding, having a baby, or making a big move, you will look back on these photos and be so grateful that you took the time to document such a unique season together.

“

BEST DECISION WE COULD'VE MADE

“Delaney was incredible to have with us through our wedding experience. She made both of us feel so comfortable in front of the camera, and did everything in her power to fix any little issues that came up on the day. We couldn't be happier with the photos that came out of it all!”

FREQUENTLY ASKED QUESTIONS

ARE YOU AN LGBTQIA+ FRIENDLY VENDOR?

Absolutely. Always. Please let me know if there is anything I can do to make you feel more comfortable in front of the camera and more supported by me.

DO YOU TRAVEL?

Yes! I will travel anywhere if I get to document. One important thing to note is that all travel fees are paid by the client.

CAN WE HAVE ACCESS TO RAW FILES?

Thank you for asking! Unfortunately I do not offer raw files. The major reason I do not do this is, I do not allow any editing of my images, copyright laws, and potential conflicts that could arise from images I do not want shared! For example, photos that aren't up to my standards of excellence!

WHERE SHOULD I PRINT MY PHOTOS?

When I share your gallery you can print from there! Or download the images and print wherever you would like!

HOW MANY IMAGES CAN WE EXPECT?

Each package comes with a guaranteed photo number, however it is always better to under-promise and over-deliver! Am I right?

WHEN WILL WE RECEIVE OUR PHOTOS?

Couples, families, and seniors will receive their photos in 2 weeks. Weddings will receive their sneak peek gallery within 24-48 hours of their wedding. They will receive their full gallery of photos in 6-8 weeks.

DO YOU BRING BACKUP GEAR?

Yes and yes. I travel with 3 cameras and back up lenses in case of emergencies.

WHAT DO WE DO IF IT'S RAINING AT OUR SESSION?

There are a few options. We can shoot through the rain, or we can reschedule. The beauty of being a photographer is that I can be flexible and find a different location. Depending on travel, we will find a solution.

DO WE NEED A SECOND SHOOTER?

I usually recommend having a second shooter at your wedding, since it's a great way to cover more ground, get shots from multiple angles, manage time better (since we can essentially be in two places at once), and have a backup for your photos. If you're having a smaller wedding or elopement, though, a second shooter might not be necessary.

CAN WE SEE A FULL WEDDING OR PORTRAIT GALLERY?

Yes. Please don't hesitate to reach out! You can also find weddings, family, and couple sessions on my website under the blog.

CAN WE MEET YOU BEFORE OUR WEDDING?

Please. I would love to grab a cup of coffee and get together. Please take advantage of that free engagement shoot when you book a wedding!

WHAT SHOULD WE WEAR FOR OUR PHOTOS?

Keep it simple. Keep it comfortable. Make it you! If you feel uncomfortable, chances are you aren't going to feel like yourself in the photos. I love neutrals and solids in photos, but if lots of color is you, be you. I love it and know you will look great!

I DON'T KNOW HOW TO POSE IN PHOTOS - HELP!

Guess what?! No one does. I try to keep my shoots as simple as possible. The main goal is that you would feel comfortable and present with your partner. When you are connected to your person, it makes taking photos less intimidating and more natural. You can expect prompts to help you connect and full support from me in the awkwardness!

I'VE NEVER DONE THIS WHOLE WEDDING THING, ANY ADVICE FOR GETTING THE BEST PHOTOS OUT OF MY DAY?

Let's talk more and schedule a time to talk! I love planning weddings and helping couples be as present as possible to experience their day. We have to be intentional if we are going to get the most out of your special day.

NEXT STEPS

step one

LET'S GET ON THE SAME PAGE

The first step is scheduling a Facetime or Zoom meeting! I would love to meet you and your partner. I am available to answer questions, go over a timeline, or customize a package for you!

step two

LET'S MAKE THIS OFFICIAL

To make things official in the books we need a signed contract and 50% retainer! The retainer holds your date and is non-refundable, so make sure you have all your ducks in a row before committing!

step three

LET'S DO THIS!

I can't wait to be best friends. I am here to help with planning as much as you will let me! I typically schedule 3 meetings. First, engagement photos. Second, a timeline draft. Third, going over all the details of the wedding day with the people who need to be in the know!

WE CAN'T WAIT TO WORK WITH YOU!

THANKS SO MUCH

*I am honored you would take time to consider me
and help my small business.*

Everyone always asks a wedding photographer which wedding is their favorite. I have always answered the same. Each wedding is unique and special to the bride and groom, I can pick out some of my favorite details, but my favorite one is always the next wedding I get to document. I hope I get to document yours too!
