

Below, choose your coverage level, add your product package and then contact us to check your date. It's that simple.

If you want other product options there are hundreds to choose from and we can design a custom wedding package for you.

Step One: Choose your level of coverage

One Diamond - \$1400.00:

Six hours of two photographers shooting your wedding. You choose when to have us arrive and we stay for six hours. This is the best option if you are less concerned about the artistic, atmosphere photos like makeup, flowers, dress and dancing photos but want to capture some of the preparation, ceremony, formals and some of the reception. Six hours goes very quickly. *(one diamond weddings may not be booked more than 4 months in advance)*

Two Diamond - \$1800.00: Eight hours of two photographers shooting your wedding. You choose when to have us arrive and we stay for eight hours. This is the best option if you would like the artistic, atmosphere photos like makeup, flowers, dress and reception photos and also want to budget a solid hour for the bridal party and bride and groom portraits.

Three Diamond - \$2400.00: Ten hours of two photographers capturing your day. You choose when to have us arrive and we stay for up to ten hours. This is the best option if you would like all the elements in the Two Diamond Package plus complete coverage of most every aspect your day.

Four Diamond - \$3000.00: Includes all of our Three Diamond Package plus coverage of your rehearsal fun. Or, choose to add a third shooter to capture even more of your day.
