Exclusive use of the Gardens for 3 days Fri-Sunday

Weddings at the Secret Gardens are not the normal, rushed affair of other venues, with three or more weddings every weekend. How can you possibly have a unique and personal wedding with just 12 hours to rehearse, decorate, get married, party and tidy up. In contrast, you will have the Secret Gardens exclusively for three days. Friday, for decorating, rehearsal and dinner. Saturday, to get ready and have the wedding of your dreams. And Sunday to collect your belongings.

We will help with the planning: Spend time with you choosing the order of events, ceremony music, and first dance list. Organize the wedding rehearsal. Be available Friday and Saturday to help with decorating and setup and MC the wedding. We know the best Photographers, Cake artists, Caterers, Florists, Invitation Printers, Bands, Tux Rentals and a lot more.

Food:

You decide the level of catering. Most weddings at the Gardens are at sun down. Your guests are not expecting an elaborate dinner. Most weddings involve elegant yet simple food, which can be catered or provided by relatives.

Rehearsal:

We will be there to guide the bridal party through the Friday rehearsal. It takes about an hour to go through the wedding ceremony and get it perfect so Saturday is flawless

Rehearsal Diner:

Most families have their rehearsal dinner at the Gardens. There is a small extra charge for this. We will setup chairs and tables and provide music. You provide food and drink, which can be as simple as a carry out Chinese or Pizza & beer. Or let a friend

bring a cooker and Barbeque! Many rehearsal dinners go on until midnight. Evenings at the Gardens are magical and no better way to start off the weekend with a wonderful and relaxing night with family and closest friends. And it will cost a lot less and be more fun than taking thirty people out for steaks

You will have access to the full kitchen in the chapel / reception hall for a rehearsal dinner and the wedding. There is a refrigerator, ice machine, cold room for flowers cake and kegs, micro wave, double oven, stove top, dishwasher and 18 foot long prep table

The Gardens:

The Gardens will be manicured. Hedges and lawns cut with potted plants located all through the gardens. We have two full time gardeners and 650 sprinkler heads. We spray the entire gardens Friday morning to ensure insects are not an issue. The Fountains will be clean and wrought iron furniture with cushions spread around the gardens. The Gardens have natural beauty; all it needs is a few items and decorations to personalize the grounds for your wedding. We have ladders, hammers, string, balling wire and tools for you to use.

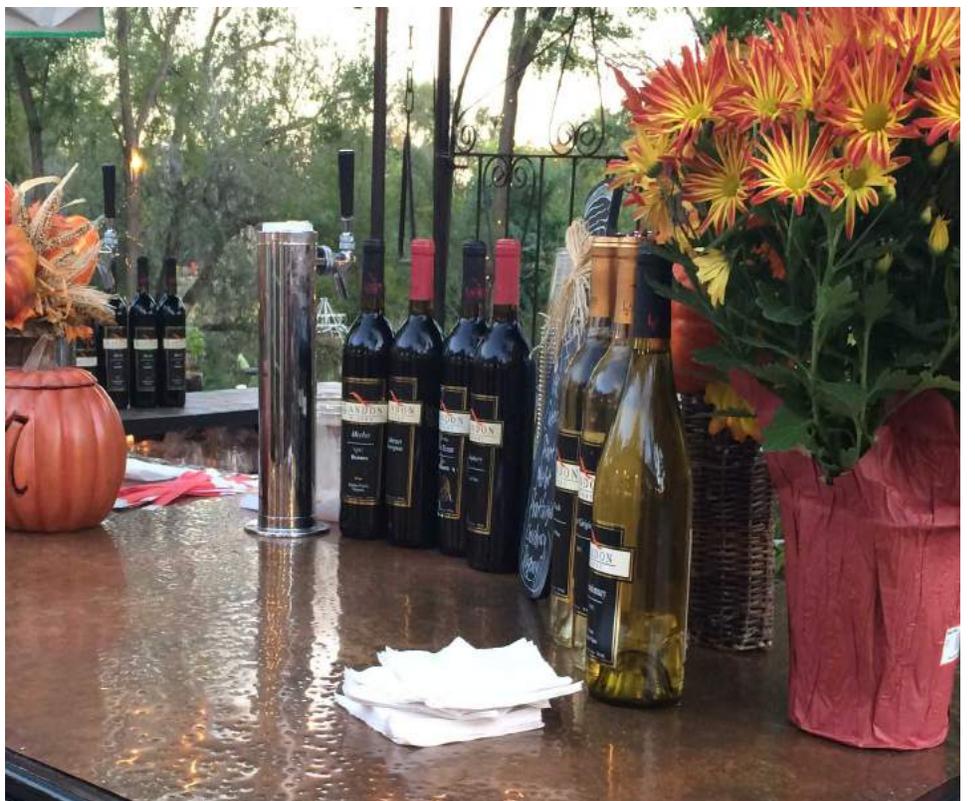

Alcohol:

This is a private party and you can have alcohol. We do require an Oklahoma Licensed bartender to serve and control all liquor, wines and beer Saturday night. You must be 21 or older and all state and local laws prevail. You provide the drinks

and this will save you thousands of dollars over other venues that serve drinks at \$3 to \$8 a pop. We have a Kegerator that hold three Kegs at a perfect ice cold 34F. Kegs can be purchased from local vendors for around \$100 and each keg will deliver about 160 drinks. We have drink chillers and margarita machines too. You will need a keg for about every 100 guests. We have a list of Bartenders who we know and trust for you to choose from. They charge \$175. We can guide you on the type and quantity of different liquors, sodas and mixes to purchase. Last call for alcohol is 1AM. We want to make sure you and your guest have a great time and everybody gets home safe and sound. Having a
