The best DJ/Musician with full-service lighting and more!
As a retired professional musician, I knew I would be super picky with
between getting live music or a DJ and found DJ P-lo who is a great b
(hello keytar and trumpet), and singer. He was the first vendor I book
wanted him to be the MC for our special day. Not only was he quick
with the whole wedding day process from arrival time, pre-music, ce
and our last song. He meticulously planned every planned song perfe
entertained. Instead of stressing about the DJ, he was able to take th
amazing job.
was able to read the crowd well and adapt to the music and bachata dan
