FREQUENTLY ASKED QUESTIONS

What can you expect from a Second Photographer?

Second photographers are trusted professionals contracted by me personally and I edit their photos to fit my/your/our desired style! Typically my second photographer will arrive at the tail end of the getting ready and stay through the dinner events including first dance, toasts, cake cutting and parent dances, then leaves as the dance floor opens. If you are considering a second photographer but are only interested in having one for a few specific hours, please refer to “add on’s” for hourly pricing information.

Are there travel fees?

If you are getting married in a destination 90 minutes or greater from my homebase (Martha’s Vineyard, Massachusetts) I am happy to cover all travel fees but would simply request room and board be provided or reimbursed by the couple. (Don’t worry – I’m a cheap date and always willing to stay at a nearby motel or Comfort Inn if your venue is on the pricier side!)

Do you offer Elopement packages?

Yes!

- **Domestic elopement documentaries** range from \$6,500-\$7,500 (destination dependent) and include *two 8-hour days* of intimate coverage by me with *no travel fees!*
- **International elopement documentaries** range from \$6,500-\$8,500 (destination dependent) and include up to *three 8-hour days* of intimate all-inclusive coverage by me only, with *no travel fees.*
