PHOTOGRAPHY

01.

welcome

Hey! I'm Natalie, and I'm so grateful you're here! Photography feels like something I've always been called to do. In fact, it's more than what I do, it's who I am. It's the best way I know how to serve others and connect with them and their hearts, and it's so humbling to be trusted with many of life's most special moments and fleeting memories.

I might just be your photographer, but I always hope to be more. I'm your dress and bouquet holder, your boutonniere pinner, your veil placer, your voice of reason, your advocate. I will be anything you need me to be on your big day because most importantly, I am your friend, and who doesn't need one of those on their wedding day?

CREATING LEGACIES THROUGH
SIMPLE AND TIMELESS
STORYTELLING

my philosophy

Photographs hold infinite value to me because they are one of the only ways to preserve the memories closest to our hearts. Your stories and memories deserve to be told in an honest way where the emotions are tangible in every photo; both now and 50 years from now. I'd love for you to let me in to those vulnerable little spaces of fun, real, and raw moments and give you the space and freedom to be yourself in the process.

04. FAQs

HOW LONG AFTER THE WEDDING DAY WILL WE RECEIVE OUR PHOTOS?

My turnaround time is typically 8 weeks.

HOW DO WE BOOK YOU?

After I receive 25% of your package price as a retainer and a signed contract, we are good to go!

HOW MANY IMAGES CAN WE EXPECT TO RECEIVE?

You will probably receive more photos than you know what to do with! ;) But you can normally expect about 100 photos per hour!

ARE OUR IMAGES EDITED?

Yes! Every image is edited by me. If you have a second photographer for your wedding day, those images are edited by me as well.

DO YOU TRAVEL?

Yes! I'm pretty great at long distance relationships if I do say so myself. Some travel fees will apply depending on where your wedding is.

DO WE HAVE TO DO AN ENGAGEMENT SESSION?

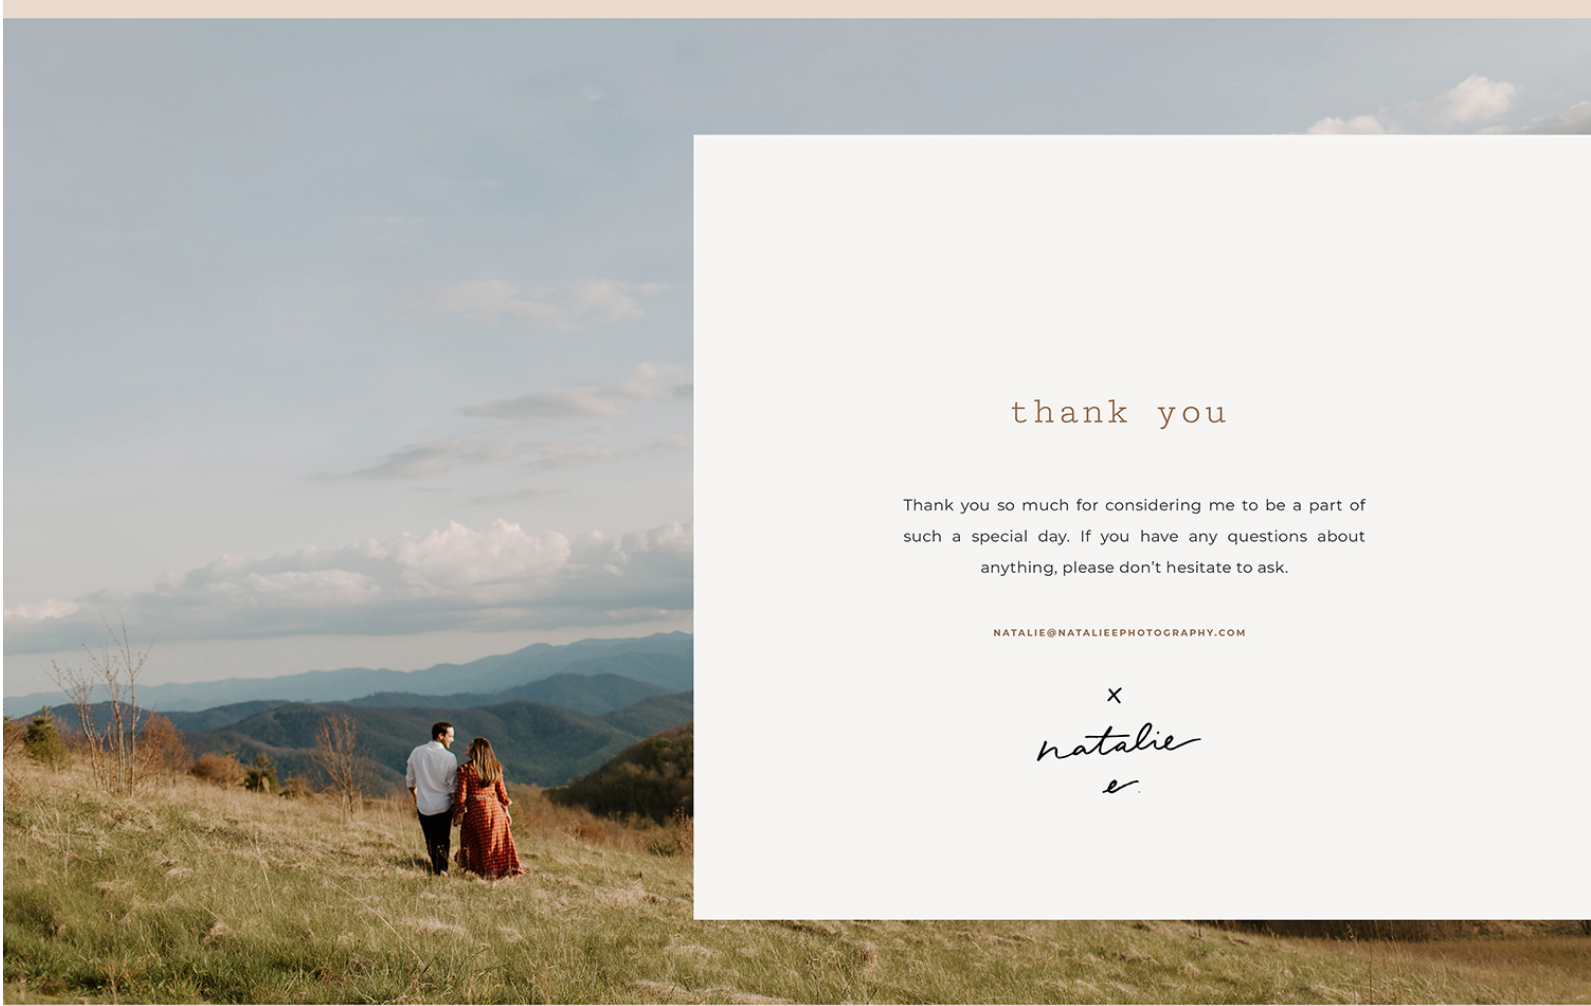

Since I value my relationships with each couple so much, I strongly suggest it. It gives us a chance to build trust with each other and get to know each other before your wedding. It also helps you become comfortable in front of the camera and with my shooting style so you have nothing to worry about on the big day! Plus, it's tons of fun!

WHAT DO I WEAR FOR MY ENGAGEMENT SESSION?

I suggest wearing a couple of outfits with some variety. I recommend coordinating colors, but nothing too matchy. Ultimately, wear whatever you are comfortable in. I am happy to help if you need suggestions!

WHAT HAPPENS IF YOU CAN'T BE THERE ON MY WEDDING DAY?

I will do everything in my power to photograph your wedding day! (no, seriously I've shot weddings with kidney stones and mono) If I need an extra hand, I will bring someone to assist me or if I absolutely can't be there, I will find someone for you who I trust and is similar to my style!

thank you

Thank you so much for considering me to be a part of such a special day. If you have any questions about anything, please don't hesitate to ask.
