Basic Officiating Package at Easy-Access Red Rock Locations– \$295

The most affordable of the **Sedona Wedding packages!** This package includes the ceremony of your choice performed by an ordained, non-denominational minister at a spectacular red rock location for a group of **up to 20 people**. After you book us for your wedding, you'll have a choice of **three Sedona wedding ceremony spots** that are accessible and have easy parking- [Red Rock Crossing](#), the [Loop Trail](#), or [Wedding Tree Knoll](#). No permits are needed for most elopements in the Forest Service. One of the sites requires an **additional \$50 fee** paid directly to the Forest Service and allows parking for a group of 15 people or less. After you book with us, we will check availability and make your reservation for you for no extra charge.

Last-minute weddings are okay! We will send a choice of ceremonies that you may customize — you just bring your wedding license and rings! This is the package to choose if you don't need photography, and have two witnesses over 18.

Basic Officiating Package with 2 Witnesses– \$375

For a true **elopement** of just the two of you, we'll bring the **two witnesses required by AZ law**. The wedding ceremony of your choice will be performed by an ordained, non-denominational minister at one of our **easy-access red rock locations (mentioned above)**. This total includes the **\$40 per witness charge** in addition to the Basic Officiating fee. If you choose one of the harder-to-reach locations, add \$100.

Harder-to-Reach Locations– \$395 (without added witnesses): Bell Rock, Slick Rock, Cathedral Rock Trail, Yavapai Vista and Airport Vortex have parking issues and require walking or hiking of about 10 minutes to get to the ceremony spot. You often have to wait for parking. We recommend renting a shuttle if your group is bigger than can get into one car. These locations are available for good walkers; if you have elderly or infirm guests, choose an easy-access site. Add two witnesses for an extra \$40 each, or add a photography package and the photographer acts as a witness for no extra charge.

Officiating Package with Location/Planning Help for Groups — \$395-\$495

If you have a group of over 20 and would like an affordable **outdoor** location that can handle groups, we can help you! **After you book with us**, we send info on pros-and-cons of the locations (you can only have chairs set up at a couple of them), help you to coordinate whatever you desire—catering (or cater yourself), music, chair rental, flowers, transportation, cake-cutting, champagne toasts, etc. After you pay your deposit to hold your date, the package includes multiple emails and phone calls to answer your questions, directions if you want to go on a **self-guided tour before making your final location decision**, a planning meeting, and on the wedding day, an experienced

officiant to help keep things organized! (You may add Photography or not to this package).
