Within the contract is a link to **make your deposit via Paypal to reserve your date**. You do NOT need a Paypal account to do so. The deposit will be deducted from the balance, which will be due the day of your event.

2. Select Your Music!

After we have received your deposit you will receive an email confirmation. Within that email will also be instructions for the next step in the process-selecting your music! Once you have selected the songs you would like for the different parts of the ceremony we will ask you to **fill out a form and submit it** to us. You will then receive a confirmation email that we have received your form.

3. Meet your Music Coordinator!

When the day of your event draws closer, **our representative will introduce you via email** to the music coordinator for your event. The “music coordinator” also known as the “string leader” will be the musician receiving your payment of the balance the day of your event. The music coordinator will also be your **main point of contact for any musical related questions** you may have.
