Declines with regret

A romantic close-up of a couple about to kiss. The man is on the left, wearing a light blue shirt, and the woman is on the right, wearing a white lace dress. The background is softly blurred, suggesting an outdoor setting. A white rectangular box is overlaid in the center, containing a testimonial quote.

M E E T J E S S

I'm Jessica, the owner and primary photographer here at Jessica Dailey Photography. My husband, Scott, is my second shooter, and together we travel around Michigan and the surrounding states to document the best love stories. I believe in natural light, creative flow, and heart felt gestures, and I let these beliefs lead my way as I work with you to create stylish and evocative works of art.

I feel everything so very deeply and I will cry at your wedding.

Because I am genuinely happy for you. And I want you to see yourself in the light that I am seeing you. Your moments deserve to be documented and preserved in the most beautiful way possible.

Your story is too good to go untold. You're hiring me to see yourself through my lens. Trust me with your authenticity. Come as you are, I'll do the rest.

YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: With years of training under my belt, I know how to pose and guide clients to make them feel relaxed while looking their very best. My goal is to bring your story to life through a cohesive set of images, not disconnected snapshots. These are your memories, and I have every intention of preserving them in the most beautiful way possible.

Q: How many photos will we get from our wedding?

A: The amount of photos you receive really depends on how long we're there and what you have planned for your day. I promise a minimum of 300 photos, but I typically give back anywhere from 500 - 1000.

Q: How do you choose the photos?

A: Between Scott and I, we take around 4000 photos on average, per wedding. Once I upload everything to my computer, I look at every single photo and choose the very best of the best images that tell the story of your day.

Q: When can we expect to get our photos back?

A: My turnaround time for wedding galleries is 8-10 weeks. I typically deliver them sooner than that, but I am especially busy during wedding season (spring-fall) and sometimes I need the extra time to perfect your images.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits of this nature will be made to all of your images. I will remove acne and blemishes, balance your skin tone, and soften your skin as needed. But I don't believe in altering your body shape or making you look like a different person. You are beautiful as you are.

I H A V E A N S W E R S

Q: Do I have to order prints through you?

A: I offer a variety of prints and items you can order directly from within your gallery, but it is not required. When you order from your gallery, your prints are coming from a professional photo lab. There is a *massive* difference in quality when ordering from a profession lab vs shutterfly, walgreens, etc.

Q: What kind of camera do you use?

A: I made the switch to mirrorless in 2023 and we have now have three Canon R6 bodies, along with our tried and true arsenal of lenses: 35mm, 50mm, 85mm, 135mm, 24-70mm, & 70-200 mm.

Q: Do you travel?

A: Travel is included in your custom package, up to 200 miles, round trip. But we're ready to go anywhere! I charge the standard mileage rate per additional mile, and if we're traveling farther than 3 hours one way, there will be a hotel fee.

Q: Can we order an album at a later date? How long does it take?

A: Absolutely! Albums take up to 2 weeks to create, and are typically ready to ship with a few days after I place the order with my lab. Products are then shipped to me so I can personally inspect and approve them before shipping them to your desired address. Shipping can take up to 2 additional weeks, but is usually pretty quick and only takes a couple days.

Q: How do we reserve our wedding date?

A: A 25% deposit & signed contract is required in order to get your wedding day on the calendar. The remainder of your balance is due one month prior to your wedding.

WHAT TO EXPECT

Design Your Day

When you get to create your own custom wedding package, you get an experience that has been personalized and specially made to fit your specific wedding day needs.

Payment

A 25% non-refundable deposit is required in order to secure your date. The remaining 75% of your balance is due one month prior to your event. Create a payment plan that works for you.

Planning

Throughout your planning process, I'm committed to being by your side for any wedding related questions or concerns you may have. I've got questionnaires, guides, and years of experience to help you make the most out of your wedding photography experience.
