## FULL SERVICE

I consider our full-service package truly the creme de la creme. After over thirteen years in the wedding and event industry, I have fully realized my passion in working with my clients every step of the way, building relationships, and ensuring their journey and wedding are as wonderful and memroable as possible.

## PARTIAL SERVICE

Some clients prefer to take on more of the responsibility and leg-work of planning. I offer a partial service package which allows for more significant work on the client's end. We essentially tag-team the "to-do" list and work together to secure vendors and finalize contract. Package inclusions are similar to full-service, but notably do not include items such as RSVP/invitation design & management, rehearsal dinner coordination, and welcome bag assembly & distribution.

## DAY-OF

As a full-service focused firm, we do not offer a regular day-of package. We do, however, take a limited number of day-of weddings each year. Our decision is based on wedding date, location & avalibility.

We would love to meet with you for a complimentary consultation!
