[www.shotproductions.net](http://www.shotproductions.net)

Welcome to Shot Productions, a fast growing videography company that specializes in capturing cinematic weddings with a fun, creative, and free flowing style.

We currently are expanding into our creative side to bring interesting short films that represent our passion & production value. Here at SHOT "Anything is Possible", if you can dream it, we want to do it... Turning dreams into reality, and reality into fairy tales.

We also offer video services company events, kid parties, & slideshows. Please check out our service tab to view a complete list of current services & video samples.
