My style.

I like to call myself a "new age photographer" don't like making you stand in stiff poses and fake smiles. I love giving you prompts that create movement, real smiles, laughs, and overall a good time making the session enjoyable.

Editing: I like to keep the natural colors in the photos, I tend to edit more on the warmer side of things if it allows for it.

Photojournalism with a splash of spice. I tend to take pictures with what's happening in the moment, but I also will guide you the way to go if needed.

Taking photos is extremely fun, and not stressful at all. It is my job to make sure you have a fun experience! I've been known a time or two to bring a radio and have a dance party.

Collections

Each Wedding Collection represents the couple who chose it and is made up of elements of their love story. To accommodate all couples, my collections are flexible and customizable. After all, you are building your own photo masterpiece that will be on display for years to come. You can add hours or an extra session and even request a second photographer. And if there's something specific you are looking for, don't hesitate to ask. I try to work with each couple as much as possible. You are welcome to substitute the complimentary engagement session for a Bridal Session.

2. DO YOU WORK WITH A SECOND PHOTOGRAPHER?

3. WHY SHOULD WE BOOK YOUR SECOND PHOTOGRAPHER?

A second photographer can help eliminate a rushed schedule on your wedding day! By providing more angles & cover different group photos, the second photographer will reduce your stress.

4. IS THERE A DISCOUNT FOR SERVICE MEMBERS?

YES!!! We offer a 5% discount for military members, police officers, nurses, and firefighters.

5. DO YOU PROVIDE VIDEO SERVICE?

Yes, we are starting to do videography.

6. WHEN CAN WE EXPECT OUR PHOTOS RETURNED TO US?

Your online gallery will be available within 2 weeks after your engagement session or 8 weeks after your wedding.

Prints can be order directly from your gallery and delivered to your door with 2 weeks after your order has been placed. You are also able to download your album to print your photos where you choose to.

On average, you would receive your album any time between 4-6 months after your wedding date. Depends on the number of adjustments to the final album

9. DO YOU OFFER A VARIETY OF CANDID & POSED PICTURES?

Of course! Your final gallery will be filled with a mixture of poses and natural shots. In the session, I will be there to help guide you in order to capture the most authentic photos to who you two are as a couple!

10. ARE PETS ALLOWED IN THE SESSION?

Yes, We LOVE animals and they are always welcomed!

11. WHAT ARE WE ALLOWED TO DO WITH OUR DIGITAL FILES?

12. CAN YOU HOLD A WEDDING DATE FOR US?

All bookings are first come/ first serve. To keep it fair, I cannot hold a date without a retainer fee & signed session contract.

13. WHAT IS YOUR PAYMENT SCHEDULE FOR A WEDDING?

In order to officially book your wedding date, a non-refundable retainer fee is required. The remaining balance is due 1 month before the wedding date. Monthly payments are allowed as well. If this is something you are interested in, we can talk about it in more detail!

14. WHEN SHOULD WE BOOK YOU FOR OUR WEDDING?

As soon as possible!! Calendar dates tend to book up fast!

15. IF WE WERE RUNNING LATE ON OUR WEDDING DAY, WILL YOU STAY PAST YOUR TIME?

Yes! I do have an overtime fee that you can see with the wedding collection magazine that will be provide to you. Please drop me an email, and lets chat!

16. DO WE NEED TO FEED YOU AT THE WEDDING?

It is not a requirement, but would be wonderful if you did!

17. CAN GUESTS FROM THE WEDDING TAKE PICTURES WITH THEIR CAMERAS AND PHONE CAMERA?

Absolutely! They want to remember your wedding to and be a part of the moment! That is how many guests connect to the ceremony. However, I do require that I am the only hired professional photographer and any second shooter is hired by me. I do not mind working with videographers of your choice or drone photographers.

“

Leslie did an amazing job! We felt so comfortable & she was able to capture our love in real time. She helped guide us to make us feel comfortable. Leslie makes things happen! We were trying to enter the Library of Congress 15 minutes before closing. They were not going to let us in. She persisted and spoke very kindly to the guards, they let us in! We had the whole place to ourselves and it was phenomenal!
