SERVICES OFFERED

Need help deciding on a plan? Start with thinking about what your priorities are as a couple - when you look at wedding photos, what makes your heart skip a beat and do you wish you would have on your wall? Depending on that, the coverage needs will be different. I can help you walk through this, but always focus first on your needs as a couple, everything else is secondary.

Customization and accommodations can be made after the purchase of a package.

01

Wedding I

This package consists of 6 hours with me - for a traditional wedding, a 6 hour minimum will cover almost anything that you could think of. *Some rearranging may need to be done to accommodate for 6 hours.*

$1600

02

Wedding 2

This package is 8 hours with me. If you are choosing a traditional wedding and not wanting the stress of rearranging your schedule for photography purposes, 8 hours will be ideal!

$2500

03

Wedding 3

This package covers either 8 hours with a second shooter there for 6 hours or a 10 hour day with just me. This is ideal if you plan to have a full day, require commuting during the wedding day, or just want to make sure that every second is captured!
