FOR LARGER WEDDINGS

There are additional options for accommodating 200 or more guests on our twelve acre estate. We would be happy to discuss the details on a guided tour, as we have found that clients better understand these options when they see the barn and property in person.

***Take your florals to the next level! We will grow seasonal blooms in your color palette. We specialize in dahlias and lavender. Your florist can incorporate our field-fresh blooms into your arrangements, or even select spriggy bits from the wild side of the estate, making your floral statement extra-fresh and extra-special!
