Two days before our wedding, our officiant came down with Covid. I immediately started looking for a replacement and found Tia. She made the process so easy and she was genuinely a joy to work with. She was the perfect choice and I couldn't think of anyone to have done it better! She's incredibly friendly, personable, responsive, and knows how to inject some fun into a ceremony. I can not say enough how wonderful she was and how incredibly grateful we were to have her as part of our big day. You can't go wrong if you choose her!

We had an amazing experience with Tia. She was very attentive to detail, asked all the right questions, and was extremely responsive. She made our simple ceremony so special. If we could get married all over again, we would still choose Tia as our officiant.
