## Entertainment Services

### Professional DJ Entertainment Services

One Wedding Emcee with standard DJ sound system, for up to four hours of music. Event planning included in price. Basic color-wash light to add color to the dance floor included at no charge (see additional lighting options below). **\$595.00**

### Overtime Rates

\$125 per hour, if booked in advance, \$200 per hour if booked on location (subject to availability).

### Additional Staff—DJ Assistant to Emcee

Perfect for clients who want the ultimate in fun & interaction!

**\$150.00**

### Upgraded Sound

Upgraded sound system is a popular option for events with 200 or more people, where a deep, rich, “nightclub” type of sound is desired. \*\*Note, this option may be required if you have 300 or more guests.

**\$100.00**

### Wedding Ceremony/Cocktail PA System

Small sound system for wedding ceremonies and/or cocktail music that are located in a remote area from where the main sound system is set up for the reception. Includes music, a microphone and one hour of playing time, with prelude music beginning 30 minutes prior to the ceremony. This option requires an additional deposit of \$50.00

**\$150.00**

### DVD Photo Montage

This is a popular option for weddings! We take photographs of the bride and groom and create a sentimental multi media show for your guests to enjoy, using professional video production software and dazzling special effects. Price includes up to 80 photos and a maximum of three songs (eight to twelve minute show) and includes one DVD copy. \*\*Note\*\* Price listed is for production of the show only – video projector & screen are available as separate options in our Video Presentation Pack listed below). **\$250.00**

### Video Screen/Projector Presentation Pack

Our DJ will bring a large 7’ screen, projector and DVD player to the reception, set it up, and handle all details of showing your photo montage. This includes our wiring the audio from your show directly into our sound system, so you get a “theatre-like” effect. **\$250.00**

## Wedding Ceremony & Reception Options

## Entertainment Services

### Lighting Options

#### Room Décor Accent/Uplighting

Brings your reception hall to life by adding vibrant colors to the walls. Accent lighting adds an elegant look to any room – whether it be a fire hall or an upscale country club, your guests will talk about the exciting atmosphere that was created by the accent lighting! This is the perfect option for those clients who want something different for their wedding. Price is for one color, and up to 12 fixtures – Additional fixtures available at \$20.00 per fixture. (This option requires additional deposit) **\$225.00**

#### DJ Light Tree System

For use during dancing. Includes a combination of multi-colored flood and beam style lights. Great enhancement for your party! **\$200.00**

#### Deluxe Intelligent Lighting System

Elaborate computer-controlled lighting system that synchronizes multi-colored lighting effects and schemes. This type of lighting is typically scene at upscale night clubs and is the ultimate in lighting! (This option requires an additional deposit) **\$500.00**

#### Dancing With The Stars Lighting Effect

Laser light effect package generates an enormous “universe of stars” that absolutely wows spectators. Adds a romantic ambience to your wedding dance floor. This lighting option is perfect for evening tent weddings, or banquet rooms with high ceilings. **\$250.00**

#### Bride & Groom Names In Lights

A large light pattern of the Bride & Groom’s names projected on an available wall, dance floor or ceiling. Adds a nice touch to the room! **\$125.00**

*This listing of our options is NOT a reservation! Your event date cannot be held or guaranteed without a signed contract and deposit. If you have questions, or wish to make a reservation, please call our office as soon as possible.*

**Deposit Amount Required For Basic DJ Services \$250.00**
