First Name
Birth date (for zodiac sign)
Activities/Hobbies
Favorite Color & Number
Other Significant life events

Criteria for Family/Couple

Last Name
Activities/Hobbies
Travels
Heritages

The Process at Work:

After collecting your information I start to research the items, relating them to the letters or numbers you've provided.

Once a good scene of the objects I begin to sketch/freehand the name, one letter at a time.

When finished with each letter I scan in the images and place in order, using Photoshop, adjusting if necessary.

I then print out the name and trace again and begin the finishing process.

Non-Framed - \$100 Framed - \$150
