# MEET THE PHOTOGRAPHER

PHOTOGRAPHY BY  
MIDWEST  
BEYOND  
CORINNE

**Howdy, y'all!  
I'm Corinne!**

**22, lover, coffee fanatic, and dog mom! I'm the owner and soul of PBC, a midwest photographer based in Omaha, NE. I believe my main purpose in life is to love as He loved us! I love capturing the real + true version of you and your lover! I always start my clients with a cup of joe of their choice, but I prefer iced. ;)**

**I'm a graduate of Simpson College and spent a lot of time studying media and marketing (Roll Storm!). After I got involved in the student newspaper, The Simpsonian, I found a love for advertisement, copywriting, and social media. My Instagram is like my virtual portfolio and it's always updating. I love being my true self online!**

**I am a self-taught photographer, owning my first camera when I was just 15. I knew I had a love for photography after I spent hours taking photos of flowers outside our camper on my iPod touch at 12 years old. Ever since then, I've been a photo hoarder, capturing the real, raw, and authentic photos and haven't looked back.**

# WHY PBC?

You've heard every photographer's "I give you an authentic experience" and I'm here to tell you the same, but here's why PBC is different. I'm so glad you've made it this far! I'm not here to convince you to allow me to be your wedding photographer, but let me tell you why you could be making the best decision for your wedding day...

I'm your right-hand woman all day—my fanny pack carries all the necessities (and snacks), I'm a killer dress bustler, your hype woman, and a professional at putting on boutonnières. I've made it a priority to capture your dream vision of your big day and all the in-between moments. Candid, details, the after-party, and epic dance floor photos can be found in every gallery. Don't forget sneaking you away from your reception for some alone time with the sunset that captures the epitome of your most perfect day. With your Pinterest board on deck, we get to remember your day exactly the way you want it.

With over 50 weddings under my belt, many hours of business development, and many mentors, I can promise your day will be the best EVER! I'll travel far and wide to capture your love, wipe your happy tears, and be the first one on the dance floor... you can count on it!

# WHAT NOW?

## 1 | confirm your booking

**Congratulations! You're ready to book! To confirm your booking, send me an email that you're ready to book and the package you want. I will then send you an invoice and contract. Your date is NOT SAVED until the deposit is paid (50% down) and the contract is signed. After that, we do a little happy dance for the best day ever!**

## 2 | planning

**All wedding packages include timeline help and assistance in planning your wedding day. I will send reminder emails occasionally to make sure the planning stays on track! As always, you're more than welcome to email me with any questions along the way.**

## 3 | engagement session

**After booking, we will discuss 3-4 dates that work best for engagement sessions and I will align them with my schedule. Your engagement session is 1 hour, up to 2 outfits, and includes (almost) whatever events you would like. Let's capture you and your lover doing your favorite things! To the arcade, bar, on a picnic, or even your favorite skate park!**

## 4 | wedding prep

**Although I am always available to help, I am unable to build a family photo list or make your final timeline. In order to make sure things go smoothly, be sure to send those over before your wedding day! Include the date, time, locations, and requested shots! Don't forget to remind me if you're going on a party bus, I have different gear for that! ;) I will send reminder emails!**

## 5 | wedding day

**Woohoo! It's your wedding day! I'm so excited to celebrate you and your everlasting love! I will arrive 15-30 minutes early to scope out the venue/primary location of your wedding and start setting up detail photos! I'll be your right-hand woman all day, and we'll do our best to stick to the schedule, although it doesn't always happen that way!**

## 6 | post wedding and delivery

**On the day of tying the knot, I will send sneak peeks that you can share with your friends and family to reminisce on your day. 1-3 months after, you will receive a digital gallery and your custom gift! I will follow up with a final email with any other added items.**
