How it Works

Your special event is important. Gathering friends and family together is one of the most memorable and enjoyable times of our lives. We feel honored to be a small part of your special moments.

At Holly Hills Retreat we want to ensure each of our guests enjoy an exceptional experience. In order to do that we follow an intuitive event booking and planning process that allows you to know everything is handled in true Southern hospitality.

After looking through this information, please call us to set up a visit to see the cabin and the surrounding grounds. We want to meet you, give you the grand tour, and discuss your event. This will help us provide you with the best possible information and the right pricing.

Once you've visited with us, you'll have the opportunity to secure the event date with a contract and an initial retainer. Your final payment will be due prior to your event date.

With your signed contract your date is secured! You'll set off to plan all of the other details of your function.

Around 1 month prior to your event we'll ask you to schedule either a final walkthrough of the space and determine your layout or to set up a call with your event coordinator.

Two weeks prior to the event we'll ask you for final numbers and any last minute details. All final payments will be made at this point.

On the day of your function the doors will open per your contracted time. You will have access to the prep kitchen and outdoor spaces. Your caterer and any other vendors will have access to the space for set up as well.

You are welcome to bring your own food and beverage to Holly Hills but please note that the kitchen is to be used for prep only. No cooking is done on location.

Your event must end by 11:00pm and clean up will commence based on your contracted agreement.

Following your event, our team will access the cabin and return your damage deposit if all is well.
