## 2019 Weddings

### Photo + Video Collection

Our photo and video teams have extensive experience working together and seamlessly capture the important moments of your special day.

### Cinematic Reverie Package \$4,500

This incredible package includes 2 photographers and 2 videographers for up to 8 hours of consecutive coverage from preparation through the reception.

Your images will be delivered on a USB drive and an online gallery. Video coverage will include 4 HD video cameras, a wireless mic on the groom during the ceremony for clear audio of vows, and HD aerial drone footage\*. Relive the day in a unique emotional cinematic Highlight Film 4-6 minutes long, and the full experience in a Feature Film 30-60 minutes long. You'll receive a fully edited multi-cam ceremony and reception, with each event separated into chapters. Edited footage will be delivered on your choice of 3 Blu-Ray or DVD discs and a video stream on our website to share on social media!

#### PLUS!

Our gift to you is a complimentary engagement session with both photo and video coverage. Photo session includes an online gallery. Video footage will be added to your wedding day Highlight Film for a complete cinematic experience, showing your love story from engagement to marriage. Total bundle savings of \$1,000!

### Photography Packages

We offer custom packages and elopements starting at \$600.
