YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: My specialty is making clients feel comfortable to open up and be themselves in front of the camera (don't worry, that's a great thing) - it helps me capture real, intimate moments between my couples and their family/guests while having a lot of fun!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: Most of our wedding collections come with a single photographer, but you are more than welcome to add a second shooter for an additional cost.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.
