Thank You for Reaching Out To Us

We are really happy that you gave us the opportunity to discuss your wedding. We know planning a wedding is very overwhelming and there are several choices available to you. For this reason, we ask all of our potential clients, do the images represent the style you are looking for? This should be the most important consideration before taking the next step. If it looks like we would meet your expectations, we would love to setup a phone consultation.

Investment

We are also offering Highlight Films. This is not the same as a dedicated videographer, but a collage of videos put to music to highlight your day. Normally 4 to 5 minutes for weddings 1 to 2 minutes for engagement sessions

***FREE Highlight Film with all 2022 Wedding Deposits**

\$ 2000.00 Basic Coverage and Images (includes 3 Hours of reception coverage)

\$ 2200.00 Basic Coverage with an Engagement Session (Engagement Session local to Indy or Lafayette)
