

Congratulations to you on your upcoming ceremony and thank you for your information request regarding my officiating services. I am a non-denominational minister, ordained in the Independent Church of Religious Science, and offer unique, personalized ceremonies to make your celebration day a beautiful moment in time!

My ceremonies are created with words chosen and spoken to embrace your souls, and nourish your love. It is the essence of the ceremony that lasts in your hearts, and my goal is to inspire and celebrate the joyous, commitment of your Love. Pictures of ceremonies that I have performed can be viewed at <http://www.positivelyyoursinc.com/our-services/weddings-ceremonies>. Reviews from couples can be found at <http://www.weddingwire.com/reviews/ceremonies-by-divine-design-positively-yours-inc-brigantine/ce51023390f51273.html>

I provide my couples with my copy written "ABC's of Love Ceremony Workbook," filled with sample components of the ceremonies that I have performed. You can read them with your partner and by choosing the selections you like, simply create your own ceremony, using the components or by adding your own words and ideas. I welcome the participation of family and friends for readings or special musical selections. You need to listen to your own hearts and souls, to create what is exactly right for you both! It is also fun and heartwarming to read them together, to deepen and cherish the commitment you are making to each other.

After you have made your selections, I format them into a keepsake ceremony booklet that is used for your ceremony. After the ceremony, the keepsake booklet goes home with you both, preserving your vows from aisle to eternity!

My fee for the fully customized, keepsake ceremony is \$400, which includes up to an hour of travel time from the Atlantic City area. Additional travel time is billed at \$50 per hour if required. I can arrange to meet you if you'd like, or if time and availability for you is at a premium, we can do everything by email and over the phone. My home number is 609-266-5576, and my cell number is 609-335-5503.

Should you desire my services, I will send a contract in an email, for you to print, sign and mail back with a \$100 deposit to reserve your date. Thank you again for the opportunity to be of service to you. Should you request my service, I will look forward to hearing from you, and being part of this special sacred day.

Celebrating Love,

**Rev. Elizabeth McGlenn**
