MEET JESSICA

I'm Jessica, the owner & primary photographer of Jessica Yahn Photography. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based out of Springfield Missouri, I've been shooting weddings for over twelve years now. I got my start by documenting memories of friends and family members to build up my portfolio in 2009. In 2012, I photographed my first vow renewal in Hawaii. In 2014 we moved back to Missouri from Washington and I officially began focusing on engagement and wedding photography.

It has been a long journey but I couldn't be more thankful for where I am now with my business.

"I cannot say enough great things about Jessica and her work. I felt valued as a client and not just another person to photograph or just another wedding, she truly cares about her clients and going above and beyond her work and getting to know both of us as a couple. That's never something I've never experienced with photographers in the past. I will always continue to use her in the future. She was extremely ethical and punctual. I HIGHLY recommend Jessica, you will not regret it!"

YOU HAVE QUESTIONS? I HAVE ANSWERS

Q: What sets you apart from other photographers?

A: With years of education and over 200 weddings, I know how to pose and guide clients to make them feel relaxed while looking their very best. I have found a balance between being extremely professional, yet laid-back to make sure my sessions are intimate & fun!

Q: What is your photography or editing style?

A: I will choose gorgeous light anytime it is possible to control it. A gorgeous location means nothing in unflattering light.

When it comes to editing, while trends can be fun, I prefer to focus on capturing photos with a timeless, bold, and emotional aesthetic. You take the time to design your wedding in the style and colors that you love. So why would I edit in a way to take away from that beautiful hard work?

Q: How many hours should I book for our wedding?

A: Most of our couples choose to book 8 to 10 hours of wedding day coverage to help ensure the full story of the day is told without feeling rushed. If you are hiring a videographer, we encourage booking 10 hours to help make sure you have everything covered for both photo & video. More than 10 hours is rarely necessary, unless we are photographing at 3+ locations, a full catholic ceremony.

Q: How many photographers will be there at our wedding?

A: Wedding coverage comes with Jessica, (a single photographer), but you are more than welcome to add a second shooter for an additional cost.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

Q: Will you Photoshop my images to hide any blemishes, wrinkles, scars etc?

A: Color correction and minor edits for blemishes will be made to all of your portraits, but I believe in celebrating the beauty and uniqueness of who you are. If there is something you view as an imperfection, please let me know about specific edits you want. These may be charged according to the number and complexity of edits.

YOU HAVE QUESTIONS? I HAVE ANSWERS

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in color & quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: What equipment do you use?

A: I use all of the latest Canon equipment. I always carry the Canon R3, Canon R6, 28-70 mm lens, 70-200 mm lens, 35, 50, & 85 mm lenses, among many other items in our large wedding bag.

Q: Do you photograph destination weddings?

A: Yes! I LOVE destination weddings and am more than happy to create a custom wedding collection to suit your travel needs.

Q: Will our photos get featured in a magazine or blog?

A: While we have had many sessions and weddings get featured, this isn't something that is guaranteed. Most publishers are interested in uniquely designed weddings with a lot of details.

Q: How do we reserve our wedding date?

A: Local (SWMO/NWAR) weddings require an \$800 retainer for weddings, while travel & destination weddings require a \$1200 retainer. This ensures travel and accommodations can be booked appropriately in advance. Along with your retainer, a signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due no less than three weeks prior to your wedding.

"Jessica was a dream to work with! She has an incredible eye for unique shots and is a genius with lighting. She ensured that my day was calm and fun. She was punctual and the whole day went off like clockwork. You cannot go wrong hiring her for any of your photography needs!"
