Pricing & Availability

Rather than offer multiple packages, we offer one all-inclusive package type starting at \$1,800. Limited dates in 2023 and 2024 are currently available. Contact us for a free consultation and quote!

Additional Services

We offer inventory rentals such as furniture, signage, flameless candles, and display pieces. Additionally, dessert bar services are available as an add on to each package. We have a continuously growing rental inventory to choose from and offer competitive pricing for each service and rental piece.

About us

With almost 15 years of combined experience, we bring knowledge balanced with adaptability. Our goal is to maintain transparency, organization, and expectations. The value in our service is the collaborative approach taken. We prefer to provide the tools to make planning decisions easier combined with open minded communication.

The all-inclusive package offered is kept organized by a personalized Google Drive Folder with helpful planning resources. The folder includes a customized checklist, preferred vendor list, preferred decor list, as well as a place to keep all contracts for review.

We encourage each couple under contract or interested in our services to reach out via email so that any and all questions can be answered.
