Float above the clouds on your wedding day!

We are a destination wedding venue with a focus on nature. The lake, mountains, river, and waterfalls provide a wide variety of activities for your guests – boating, swimming, whitewater rafting, hiking, and fishing – as well as spectacular wedding photo opportunities. Our goal is to make your experience as stress-free as possible so you can relax and enjoy the beauty of Nantahala with your family and friends.

We only book one wedding per weekend, so you can set up, decorate, and rehearse the day before your wedding at the venue. Take it easy on the lake on your wedding day, then dance the night away. Come back the next morning to collect your belongings. Then go relax some more on the lake!

The Venue

Our venue has the serenity of a private park, so little decorating is needed to make it sparkle. We focus on simplicity by providing everything you need to seat and serve your guests in one low price.

Ceremony Options with Glorious Views

Take your vows at our lake and mountain view ceremony area high above the clouds at 3,500 feet elevation (150 yards from venue) or on Wayah Bald on the Appalachian Trail (public space, 11 miles from the venue). Our outdoor, covered ceremony chapel on the venue grounds with moss-covered rock wall and sycamore benches is your intimate and elegant rain plan.
